

# SHAWN SREEJU SAMPATH

Aspiring DevOps Engineer

## About Me

I am a first-year B.Tech Computer Engineering student at Karunya University with a strong passion for DevOps and cloud technologies. With a foundation in Python and multiple programming languages, along with Google IT and AWS certifications, I am focused on building scalable, automated, and cloud-native solutions. My goal is to grow into a versatile DevOps Engineer who bridges development and operations using automation, cloud platforms, and AI-driven technologies.
